Canterbury Track Cycling 2012-13 Season

The new 2012-13 Canterbury Track Season is just around the corner, with the Track Development Programme (see separate news item) and Track Racing set to kick off at Denton Oval on Sunday 30 September 2012.

A draft track programme is available to view – see the BRT Road and Track calendar in the Coming Events section of the web site.

As with any other event, nothing happens without a team of willing volunteers to fill the various roles required to deliver the programme, and track is certainly no exception. A small band of stalwarts, led by Track Committee chair, Syd Martin keeps a very successful programme running, but more volunteers are needed.

In common with road, it is better to know beforehand who is available to assist, rather than seeing what can be achieved "on the day". Any training (eg, timekeeping, bike prep, judging, etc) will be provided, so don't be scared – get involved.

A meeting has been arranged at Hornby Workingmen's Club for 7pm on Tuesday 18th September 2012 to talk with interested volunteers and start assembling "teams" for the track season. If you cannot make the meeting, but are willing to help then email Syd at sydmarting@paradise.net.nz – he will love to hear from you.

Remember, getting results (see a wrap of how well our juniors did at the recent Junior World Champs in Invercargill) does not happen by chance – it requires a lot of input to develop talent – help in any way you can to turn the raft of silver medals in 2012 to gold in 2013, and results at Rio de Janeiro in 2016 – here is where it starts!
